Where international and municipio boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.
In the case of the San Juan metropolitan area, the BNA areas allocated to census tracts with a "99" suffix. An anchor symbol appeared on the 1990 maps, located in a census tract with a "99" suffix. These maps show a very small area symbolized as a census tract with the census tract number shown near the area.
